MESSAGE FROM THE IABA PRESIDENT ANGEL BRUNO

Dear colleagues:

I have the pleasure and great satisfaction to invite you to participate and be protagonists of the 59th Conference of the Inter-American Bar Association (FIA-IABA), which will take place from November 29 to December 2, 2023, in the City of Rio de Janeiro.

I say "great satisfaction" because this Conference will mark the return to the in-person format, so missed and so necessary, that we had to put it on hold during the recent pandemic years, for health reasons. It will be an especially important step to recover the best practices and traditions of our Federation, which undoubtedly is an association that feeds on affection and camaraderie, forming an environment of warmth and friendship.

Being in person will allow us to be face to face again to share conversations, experiences, memories, and to meet over dinner or coffee. Among us and among our companions, with the joy that comes from seeing us close. And this will allow us to recover the sense of community that is our base and main support, from which we are nourished and from which we grow as IABA, optimizing our efforts to achieve shared objectives.

Also, being in person will allow us to return to work as we did before in our academic activities at each Conference: in an interactive way, not only listening to keynote presentations, but also discussing papers presented in advance, with the leading role of all those who participate in the respective sessions and work of each committee. That will make it easier for us to propose statements and resolutions.

In addition to the important institutional and academic activity that will take place, we will have an excellent program of social activities, with which we will enjoy the incomparable beauty of Rio.

I also want to highlight the Voy Contigo group, with such a meritorious function, which is already preparing its return to reactivate one of the most traditional and important actions in the field of complementary events to our Conferences.

In the organization we have the fundamental collaboration of the Institute of Brazilian Lawyers and the Brazilian Bar Association (OAB), who together with the Brazilian Chapters of the IABA are working hard so that everything turns out to be excellent.

In short, I invite and encourage you to be all protagonists of this return to in-person sessions. Protagonists not only with our participation, but also with the advertisement that we can do to achieve a large and outstanding turnout.

I look forward to seeing you in Rio. A big hug to all of you.

Angel Bruno

MESSAGE FROM IABA SECRETARY GENERAL LOURDES V. VENES

Dear colleagues,

We are pleased to invite you to participate in the Inter-American Bar Association 59th Annual Conference about “The Interplay of International and Domestic Law for the Strengthening of the Rule of Law,” named *in memoriam* “Fernando Fragoso,” to be held in beautiful Rio de Janeiro, Brazil, from October 3rd to 6th, 2023, with the special collaboration of the *Instituto dos Advogados Brasileiros* and the *Ordem dos Advogados do Brasil*.

This Conference has a special significance for several reasons. Among them, it has been dedicated *in memoriam* to our beloved IABA President, Fernando Fragoso, and will give us the opportunity to pay him a heartfelt tribute. The Conference will also mark the return to the in-person format, and we will have the opportunity to meet again face-to-face and celebrate our 83rd Anniversary after several years in which the circumstances only made it possible to connect virtually. In-person participation has allowed us, for more than eight decades, to exchange ideas and enrich our knowledge of current legal issues and to strengthen professional relations and bonds of friendship. Additionally, we will have the traditional event of “*Voy Contigo*” which worthy purpose is to support social work by offering a contribution to a non-profit organization from the host country.

The significance of this Conference is accentuated by the commemoration of the 180th Anniversary of the *Instituto dos Advogados Brasileiros*, a sister institution with a rich history at the forefront of law and emblematic of the Brazilian legal community.

The participation of each one of you as members and partners of the IABA is of vital importance for the continuity of the institutional work of the IABA and to help it achieve its mission and vision. In the face of well-known global challenges, the weakening of constitutional democracies and the rule of law, the mission and objectives that inspired the founding of the IABA, among which are the defense of these institutions, are as important today as they were in its founding stage in 1940, more than 83 years ago. Continuing the work is imperative.

Thanks to the work of our Committees, Sections and Forums and the support of the member and allied bars and universities, we will be able to offer you a diverse and high-quality academic program, by distinguished jurists, on constitutional, environmental, gender, technological, and labor issues, among others.

We will close with a Gala on Friday, October 6, 2023, which will offer an opportunity to celebrate the 83rd Anniversary of the IABA and 180th Anniversary of the *Instituto dos Advogados Brasileiros*.

We are grateful for the invaluable collaboration of the *Instituto dos Advogados Brasileiros* and the *Ordem dos Advogados do Brasil*, our Rio de Janeiro and Sao Paulo Chapters, our official sponsor LexisNexis, as well as President, Angel Bruno, Past President, Judd Kessler, General Rapporteur, Alejandra Pasquet, the entire Executive Committee, our panelists, volunteers, and Executive Office team.

We look forward to being together again to learn, connect and serve, while enjoying the renowned Brazilian hospitality!

Lourdes V. Venes
